# A Tribute to the Reverend Gary Lyle Baer July 4, 1942—August 31, 2018

Rev. Gary Baer, age 76, died peacefully at his home. He received his Masters of Divinity from Pittsburgh Theological seminary in 1966. He was the pastor at Dickinson

Presbyterian Church near Carlisle, PA and associate pastor at Oakmont Presbyterian Church in Pittsburgh, PA. He was installed at Buckingham Presbyterian Church on September 11, 1977 and pastored at both Buckingham Presbyterian Church in Berlin, MD and Faith Chapel Presbyterian Church in Libertytown, MD for 32 years, retiring on April 30, 2009. Throughout his retirement, he and his wife Susan attended the Ocean View Presbyterian Church in Ocean View, DE. He will be greatly missed by all who knew him.

"The Lord's my Shepherd, I'll not want;
He makes me down to lie in pastures green;
He leadeth me the quiet waters by.
My soul He doth restore again;
And me to walk doth make within the paths of righteousness,
e'en for His own name's sake.

Yea, though I walk in death's dark vale, yet will I fear none ill;
For Thou art with me;
and Thy rod and staff me comfort still.
My table Thou hast furnished in presence of my foes;
My head Thou dost with oil anoint, and my cup overflows.
Goodness and mercy all my life shall surely follow me;
And in God's house forevermore my dwelling place shall be."

**COMMUNION** will be held on the following date:

October 7—
World Communion Sunday

Upon request, Communion will be offered to house-bound members of our congregation. Please advise a member of Session, or the Church Office if this service is desired.

The PNC wants the congregation to know that we are meeting and getting started on the process of finding a new Pastor for our Church. As we have done this before, you know we have guidelines to follow and that is what we are doing. This is the first step in the process. We will keep the congregation informed of our progress as we move along.

#### MISSIONS REPORT—SEPTEMBER

Thanks to all who brought in art supplies, children's coloring books, and all the goodies that you could find at the Dollar Store. Mission Committee bought a "Fidget" blanket which was requested in the hope that we could use it as sample for others to make some. What is a

"Fidget" blanket you ask, well it is also known as an Alzheimer's Activity Pad, Finger Hand Fidget Pad, Adult Soothing Mat, Lap activity Cloth and Nursing Home Activity Mat. It is a lap-sized fabric pad of happy colors that has buttons to button, zippers, rubber bands, ribbons, soft fuzzy spots, Velcro strips and just about anything to keep fidgeting hands busy. If you would like to try making one, that would be terrific. Let me know and I'll show you the sample. This is a donation that can be done when you have the time. Many Thanks.

Hope4Recovery is opening a Recovery House in the former Shirley Grace house on Old Ocean City Boulevard. It will have 6 bedrooms with bunk beds so that 12 men can live there. There will also be a gathering room, which is kitchen and eating area. They ran into additional expenses when the Fire which donated \$300 toward these additional expenses. They need dressers, which beds, and additional furniture. Stay tuned—we plan to work with this group to help where we can.

OCTOBER FOCUS — For the month of October we will once again be filling boxes for Operation Christmas Child. We have the shoe boxes and would really like it if you would take one, fill it, and return it with a check for \$9 made out to Samaritan's Purse. Please look at the guidelines that are included in the box. Select the age of the child you are filling the box for and go for it. Have fun thinking about a child receiving your box and the joy you are bringing. Please pay attention to the "do not include list" as those items will be removed at the processing center since they do not travel well and are not well received. I can't help but wonder where our boxes will go this year. The boxes need to be returned in Kortright Chapel by November 4th.

Thanks Carol

The news from the cemetery is the new sidewalk. The old sidewalk looked more like a ditch than a place for folks to walk. I recently had a call from the state highway department that they were going to replace the sidewalk. Needless to say I was ecstatic. Then came bad weather, but I am sure as soon as the weather clears they will be back to finish the work. the photo shows the work so far for those who have not driven by in a while. Respectfully submitted, Sally Kohler
